

2024 Riding Challenge

We're compiling pictures for a calendar this year. Your mission, should you choose to accept it, is as follows.

Go out between January and the end of August 2024. While out take a picture of your bike with a suitable backdrop. It can be whatever and wherever you like. There are some very loose rules which are below

- No people (saves getting permission and stuff)
- No number plates (security)
- This year there is no geographical restriction. Go wherever you like
- Portrait Orientation
- As many pixels as you can manage for quality
- NO FILTERS
- **To ensure it was taken for the challenge and not a historic photo your gloves must be in the picture and on the bike.**

The winner will be the front cover and will get to display the trophy in the lavatory of their choice for a year and be awarded a free calendar.

You can email your entries to region15atoz@gmail.com or upload them direct at

Get out and get snapping
